SENATOR CROSBY: Senator Schellpeper.

SENATOR SCHELLPEPER: Yes, Madam President and members. This amendment defines mechanical amusement device. It would eliminate machines that are not coin-operated or credit-card activated. For example, pool tables that are not coin-operated but a fee is charged based on the amount of time the table is used. In this case, sales tax would be attached based on the fee charged by the vendor. So it just spells it out. It's just a clarification. I would move for the amendment to the committee amendments. Thank you.

SENATOR CROSBY: Thank you, Senator Schellpeper. Any discussion on the amendment to the committee amendments? Seeing none, Senator Schellpeper waives closing. The question is the adoption of the amendment to the committee amendments. All in favor vote aye, opposed no. We're voting on the committee amendment, have you all, or the amendment to the amendment, have you all voted? Have you all voted on the amendment? Record, please.
